Summer in the City! August 2009

We have been experiencing some very hot weather here in France lately but the work has also heated up as well!

Since our last newsletter in June much has happened in our ministry here. We have had **several missionary couples come from various places in Europe for counseling**. God opened hearts and began healing in some very difficult situations. Mike also **traveled to the Balkans for one week** to minister to a missionary family in need there. **We had the opportunity to minister to several families living in France as well**. God has been connecting us with people in need, allowing us to have a spiritual impact in their lives.

While caring for missionary workers is our main focus, we also have the opportunity to minister regularly in the church here. **Mike conducted the services and brought the message at several times** since our last newsletter. He also will be bringing the message for the next two weeks in August. We often see a variety of people visit the church who need a relationship with Christ. Pray that God will open hearts and use these messengers to bring souls to the Savior. **Susan has made friends with neighbors** and through her relationships doors have opened to witness.

In September we will get to see several folks baptize whom we have had a part in bringing to Christ. Mike has been asked to baptize some of these new believers. In addition there will be several ministry opportunities with folks locally and another missionary family arriving from out of town for a week of intensive counseling work. Please pray that our efforts will bear much fruit and that Christ would be glorified. Susan recently traveled to the US to help out our family who were in need of childcare and support as they go through some difficult health issues. Please keep our extended family in prayer as we see our enemy has been attacking our family back home.

By the way the Tour de France passed through our city in July! (see pic)

Thank You for your faithful prayers and support. May God bless you as you serve Him!
